EMPLOYMENT HISTORY

Satellite Regulatory Affairs Officer Jun. 2022 - Dec. 2024
Charter Space London, UK

Developed and implemented satellite licensing strategies to ensure compliance regulatory frameworks and with export control regimes (ITAR/EAR, UK SECL), supporting satellite licensing across multiple jurisdictions (US, UK, EU, JP, AU). Liaised with regulatory authorities to navigate licensing requirements and compliance obligations. Coordinated Charter's endorsement of the SWF's Anti-ASAT Statement, contributing to global space sustainability policies. Collaborated with cross-functional teams (incl. Engineers, UX Designers and BD) to align licensing efforts with technical and policy considerations.

Research Assistant Feb. 2022 - May 2022
University of Exeter Remote

Supported the UK Ministry of Defence in updating its military manual on the legality of warfare by conducting high-level research on international law and its applicability to space and cyber warfare. Presented comprehensive legal analysis on international law to guide strategic decision-making on the use of space assets in conflict scenarios, directly contributing to the UK MoD's strategic legal framework. Engaged with NATO-aligned frameworks to evaluate the legality of space-based operations, ensuring that recommendations were consistent with broader international standards.

Space Law Intern Jun. 2021 - Jan. 2022
Royal Netherlands Air Force Breda, NL

Provided legal guidance on international space law for multinational military operations, participating in strategic discussions on the development of space policy. Collaborated in high-level consultations with ESA, EUSPA and NATO as part of Dutch Delegations, advising on international agreements and policy coherence. Drafted and reviewed legal opinions on the impact of international space law on military satellite operations, ensuring regulatory compliance and risk mitigation for Dutch military initiatives.

Legal Intern Jun. 2020 - Jan. 2021
Geronymakis & Partners LLP Athens, GR

Conducted legal research and drafted documentation for court hearings and client advisories, supporting senior partners in high-stakes corporate compliance and regulatory advisory. Assisted in the review of a multi-million acquisition agreement for a high-profile client, (Harvard Investment Group), ensuring full regulatory compliance and operational alignment with local laws. Shadowed senior partners, gaining practical experience in corporate law and litigation, with a focus on strategic legal analysis for complex transactions.

EDUCATION

Air & Space Law (Adv. LL.M.) Feb. 2021 - Jan. 2022
Leiden University

Law with International Relations (LL.B) Sept. 2017 - Jun. 2020
University of Sussex

VOLUNTEERING

Space Generation Advisory Council (SGAC) Feb. 2021 - Present

Currently serving as **General Counsel**, responsible for drafting/reviewing MoUs and contracts and supporting compliance through legal opinions. Previously, led the Space Sustainability Team of the SGAPP, authoring a Sustainability Policy Position presented and advocated at **UNCOPUOS**.

European Youth Parliament (EYP) Apr. 2016 - Oct. 2021

Served at the **Board of the Greek National Committee** and as a Head-Organiser for one of the National Sessions. Held many other positions, in various countries' national events.
